

RICHTER PARK MEN'S CLUB

August 29, 2010 Flighted Club Championship Event

Good Morning,

Today's event is a flighted one-day Club Championship with scoring based on gross score minus 80% of handicap. All players are flighted based on 80% of handicap, all players are to use the white tees. Flights begin at flight #2.

In addition, there are 24 players completing their final rounds in the stroke play Club Championship events. After completion of your round, we encourage you to head back out on the course to see the finish of the Club Championship. These players are competing in the Senior, Champion, and 1st flights.

This is a Richter Cup event and points will be awarded for both participation and performance in accordance with the Richter Cup scoring system. Please play "pick/clean/place" in your own fairway; 1 club length from original position of the ball, no closer to the hole, no improvement of lie (ex: no rough to fairway). Remember to post your score.

Failure to clear the water hazard on 3 and 5: Use the drop area on the "safe" side across the water. On #7: Use front of tee box for drop OR re-tee (no drop area on "safe" side). Please keep up with the group in front of you to ensure a good pace of play.

Today's Men's Club Event Chairman is Gary Lehman; please present general questions to Gary. Any rules questions are to be directed to Ralph Salito in the Pro Shop.
