### Flight Wagering

**Rain Out Contingency Plan** If a rain out on Saturday we will go to 18 hole team best ball on Sunday. Lowest Net team score will determine flight winners.

### Saturday: Three 9-hole matches

1. A match is rained out if less than 5 holes are completed by every team in flight. If 5 or more holes are completed by all teams, match results count through number of holes completed by all teams in flight.
2. If only complete 2 matches on Saturday, continue with match play. This means only 4 of 5 matches will be played and one match will not occur.
3. If only complete 1 match on Saturday, tournament converts to 27 hole BB net (90%) medal play format. The 9 holes completed on Saturday will be added to the 18 holes BB net (90%) score recorded on Sunday.

4. If Saturday is a complete washout, the tournament converts to 18 holes BB net (90%) on Sunday.

### **Sunday: Two 9-hole matches**

5. If all three match play matches were completed on Saturday and you can only complete one 9 hole match on Sunday, tournament will be concluded and results will be based upon the 4 nine hole matches completed.
6. If Sunday is a complete washout, use Saturday results as final.
7. **Remember**, If Sunday is a washout we will still hold awards dinner at 2:00 pm
