

# Cancelation Policy

## 1- "Short Notice" and "No-Shows"

- a. Any cancelation within 3 days of an event and up to the 1<sup>st</sup> tee time of an event shall be deemed "short notice". 1<sup>st</sup> offense is a warning, 2<sup>nd</sup> offense is a 1 event suspension, 3<sup>rd</sup> and subsequent offenses are 3 event suspension. The member must also provide a reason for cancelation. *\*Note that not liking your assigned tee time is **NOT** a valid argument for cancelation. The "special request" tab can be used to ask for a preferred tee time **BUT** is not guaranteed.*
- b. Any "No Show" with or without notification to the club after the 1<sup>st</sup> tee time of an event will result in a 1 event suspension for the 1<sup>st</sup> offense, 3 event suspension for the 2<sup>nd</sup> offense, and remainder of the year for a 3<sup>rd</sup> offense. The legitimacy for a "no show" will be handled on a case-by-case basis and is at the discretion of the RPMC board.
- c. The board understands that life happens and that there are occasions that arise that prevent your participation. We only ask that you let us know as soon as possible. There are almost always players on the waiting list that would like to participate, and we, as a board, have a responsibility to the membership and to the course to fill all allotted tee times when possible.

## 2- Pay-to-Play events

- a. During the course of the season, there may be pay-to-play events that require payment beyond the membership fees to participate (ex. Member-Member, Member-Guest, Ryder Cup). The balance that is due upon registration **MUST BE PAID prior to the Monday before the event** or your registration may be forfeited. Payment can be made on the website or dropped at the course before this date. When leaving payments at the course, members are also required to notify the RPMC that payment has been made. Any cancelations made after this point will be deemed "short notice" and as such, will be handled in the manner of a "short-notice" warning or suspension. These events are typically filled very quickly and keep a lengthy wait list, therefore cancelations made after this date will have payment returned but may also face warnings and suspensions at the discretion of the board. Since head counts for included food are due in the week leading up to the event, we must also require a final count by this time.
