Welcome to the Richter Park Men's Club!

You should have received an activation email with your GHIN (Golf Handicap Information Network) number. This number can be used as long as you play golf whether with RPMC, a private club or relocate outside the area.

Handicaps are now updated on a daily basis so scores should be posted on the same day as the round was played. Scores may be posted through the USGA GHIN app or ghin.com

If a correction is needed to your scoring record, send a note to the club email (above).

All are encouraged to be familiar with the rules. When in doubt as to procedure, consult your fellow players. The USGA site has extensive resources on the rules here <https://www.usga.org/rules-hub.html>

As new members we want to share some helpful information about how the club operates and some "ground rules" for our events.

1. Event registrations will be announced by a scheduled email from the website – registration will open 23 days prior to the event date. Subsequent announcements will go out at prescribed intervals for members that have not registered.
2. Team events (2 or 4 player teams) are for **members only of the club**. While the registration form may reflect "guest" – this nomenclature is generic to the site. **"Guest" = Partner and all partners must active members in the club.**
3. When registering for team events – complete your registration and then add partner(s) using the Add Guests in the registration form.
4. Circumstances may arise that prevent you or your team's participation in the event. Please use the "Contact Us" feature on the website or send an email to the address above to alert us of any changes. "No shows" (without prior notice) to events are subject to suspension from future events.
5. There's an app for that...you can download the Wild Apricot for Members app to sign up for events, complete renewals, lookup other members and more – visit the appropriate app store for a version that is compatible for your device.
6. Special requests for tee times or playing partners can be made on the registration form and will be handled as best we can accommodate – special requests will be handled in the sequence in which they are made. THERE SHOULD BE NO EXPECTATION THAT ANY REQUEST WILL BE HONORED and the luck of the draw for tee times/pairings will prevail.
7. Prize money is awarded as pro shop credit. The goal is to pay out roughly a third of the field in each regular event.
